

You can include the following on a separate sheet when contacting potential donors by regular mail or e-mail.

You may be wondering how you make your gift to Nick's Fund.

1. You can make your donation using your personal check payable to **The Nicholas Rossomando 9/11 Memorial Scholarship Fund**.
2. You can mail your donation as a check to me or you can make a donation using your credit card. Just log on to the charity website, www.nicks911collegefund.org, and click **Sponsor A Runner** from the **ING NYC Marathon** pull-down on the **homepage**. When you click on that button, you will be directed to a page that contains three different donation processes. You can use **PayPal** (second choice) or **Crowdrise** (third choice), if you are using a credit card to make your donation. If you use the second choice you will have to complete the form, then click submit and you will then be directed to Pay Pal, where you can make your donation using your credit card or your PayPal account if applicable. (If you are a runner on Nick's Team and have a **Crowdrise Fundraising Page** you will have to instruct your donors to make the third selection.)
3. I just want to be sure that your donation is credited to my account. All donations \$100.00 or more entitles you to one of Nick's Memorial Tees, so be sure to include your tee shirt size.
4. If you are making a donation by personal check, money order or bank check, you can mail it to me at the following address:

(Runner, please add your address here)

or you may mail it directly to the fund at the address below:

The Nicholas Rossomando 9/11 Memorial Scholarship Fund
Barbara Scaramuzzino, Director
6726 American Way
Bethlehem, PA 18017

If mailing it directly to the fund, please be sure that you print my name on the check or include a note that you are making the donation in my name. Thank you.
